School Year

Progress

Overall score for this competency, calculated as the average of all standard scores within this competency.

On a beginning or mid-year report, a score less than a 3 here indicates that a student needs additional opportunities to demonstrate mastery. Teacher comments will specify if students have not yet had the opportunity to demonstrate mastery or if additional support is needed.

On a year end final report, a score less than a 3 indicates that a student needs additional practice and support in this competency and will continue to receive support in this area during the next school year.

WSP=Work Study Practice (Habits of Work)

## Scoring Scale:

4 = Extending Beyond Standard

3 = Meeting Standard

2 = Approaching Standard

1 = Beginning Standard
