The adoption of policies is a primary function of a Board and the execution of policies is a primary function of the Superintendent.

Delegation by the Board of its executive powers to the Superintendent provides freedom for the Superintendent to manage the schools within the Board's policies and frees the Board to devote its time to policy-making and appraisal functions.

The Superintendent is responsible for the administration of Board policies, the execution of Board decisions, the operation of school programs, for keeping the Board informed about school operations and issues, and for satisfactory fulfillment of the duties required by statute and rules of the State Board of Education.

The Board will:

1. Give the Superintendent full administrative authority for properly discharging his professional duties, holding him responsible for acceptable results.
2. Act upon matters of employment or dismissal of school personnel only on the recommendation of the Superintendent.
3. Hold all meetings of the Board in the presence of the Superintendent except when his/her contract and salary are under consideration.
4. Refer all complaints to the Superintendent and discuss such complaints only at a regular meeting as required.
