BBA – BOARD MEMBER AUTHORITY

The authority of individual Board members is limited to participating in actions taken by the Board as a whole when legally in session.

Board members shall not assume responsibilities of administrators or other staff members. The Board or staff shall not be bound in any way by any action taken or statement made by any individual Board member except when such statement or action is pursuant to specific instructions and official action taken by the Board.

Board members have no authority over school affairs as individuals. They have complete authority, within state law, over school affairs only when they are assembled as a legal body.

The decisions and actions of a single member of the board cannot be binding on the entire board.

The board must exercise its powers and duties only in properly called meetings where a majority of the board constitutes a quorum.

The decision of the board shall be binding until rescinded by the board at a duly called regular or special meeting.

Each Board member is obligated to attend Board meetings regularly. Whenever possible, each Board member shall give advance notice to the Chairperson or Superintendent of their inability to attend a Board meeting.

Each Board member shall review the agenda and any study materials distributed prior to the meeting and be prepared to participate in the discussion and decision-making for each agenda item. Each agenda will provide an opportunity for Board members to comment on District activities and/or educational issues. These comments may become topics for future Board discussions.

Board members may occasionally serve on committees or organizations for the purpose of reciprocal communication and reporting back to the Board.

The board does not exist between meetings. Board members have no authority except at board meetings or when discharging an assignment made by the board. Parental inquiries shall be referred through appropriate channels.
