**Meeting Notes:**

Introductions

Monica reviewed 5 year trends for Clark-Wilkins for loss time and medical needed, lost wages

2017-18 claims are all closed out

2018 frequency was higher, student interaction claims

Two severe losses this year, slip and fall and student interaction

2020 - 23 claims, 2 severe

2021- less severe year

Covid may have impacted number of claims filed during remote time

This is common in school districts, first student interaction, than slip and falls

Less employee injuries in other districts

Reviewed losses at MV

Reviewed form school Nurse use after an injury

Report an issues to leadership team to make them aware, example Ice in parking lot
