Summary of topics discussed

We met after attending the ASB meeting and hearing from the AEA and the ASB about the proposed AEA contract. We shared our thoughts on the proposed contract. Some mentioned that they were frustrated that we were not voting on the actual contract but rather a list of changes to the existing contract. Others mentioned that while it is unfortunate, it is enough to make our votes since we had previously studied the current contract in detail.

The votes were 3 in favor and 4 opposed to Article 14 (AEA Contract).

No other votes changed from the meeting on Tuesday.

Meeting ends.
