Remembering Joshua

For his ninth birthday, Joshua Savyon collected donations for The Animal Rescue League instead of presents for himself. We would like to honor Josh's life by carrying on this tradition for his birthday, which is in April. Josh was a student here at Clark-Wilkins. Josh was tragically taken from this world on Aug. 11, 2013. He was the cherished son of Becky (Kendall) and Benjamin Raney.

He was the pride and joy of his parents and a delight to those around him. He always had a smile on his face, was eager to try and learn new things and was always available to lend others a helping hand.

On Wednesday May 13 we held our 5th Annual #GiveTough blood drive in honor and memory of Carter Mock, one of our former Wilkins Students who lost his brave battle with pediatric cancer on November 11, 2018. The blood drive was hosted by Labelle Winery and run by the Red Cross. While our drive is usually a community celebration and a chance for the school and community to work together to make a difference, that couldn't happen this year. However, during these uncertain times, the #GiveTough team felt it was important to continue the tradition of hosting a blood drive every spring. Even without our luau party, snacks and entertainment, the turnout was incredible. We had approximately 90 people show up to donate. Each blood donation can save up to 3 lives. Carter's legacy to his teachers, his classmates and his community is to be #tough when times are tough. We are grateful to the community of Amherst for supporting this event and keeping Carter's memory alive.
