Instructions

The purpose of the Community Council is to govern all school affairs, consistent with school board policy, state policy, or administrative regulations established with the Superintendent of schools. This council will serve as a link between the community, the students, the school board, and the faculty of the school. Each class will have 5 grade representatives that will be voted into the Council in the spring. Representatives for the freshmen class and at large members will be voted on in the fall. At large representatives will be elected by the Community Council. See the Community Council website for dates and other information.
