Meals will not be ordered daily. Instead, meals will be ordered for an entire week. Responses are due by the Saturday night at 9pm prior to the coming week. Meals will include a complete breakfast and lunch, will be free to all students, and should be delivered around lunchtime each day.

Please make sure to note any nutritional restrictions (gluten-free, vegetarian, halal, etc.) in the PowerSchool survey. These meals are only available to students enrolled in SAU39.

If you have any questions, please contact John Lash, the Director of School Nutrition (jlash@sau39.org).

We have the courage to care!
