Teacher Appreciation Week

May 4th-8th is Teacher Appreciation Week! Now more than ever, it is apparent that it is the people not the building that make a school... a true community of learners. What better way to celebrate our staff than thru a heartfelt note! Notes of thanks and encouragement from students and families are treasured by teachers. Since we can't be together, will you help me flood their emails with notes of encouragement and thanks?!?!?! If you'd prefer a mailed note, submit your words of appreciation using this link (<https://forms.gle/WAcUBQfOq53Hb1BZg>) and I'll print on nice paper and mail out. Thank you for considering!!!

Celebrating our 8th Grade Graduates

Amherst PTA is providing all 8th Grade graduates with free congratulatory yard signs. Once the signs are ready for pickup, families will be notified with pick-up instructions. In addition, signs are available for purchase if anyone else would like to support these students by displaying a sign.

Social/Emotional Web Page

We would like to invite you to join our Parent Social/Emotional Resource page! This page ([linked here](#)) will be dedicated to providing resources and supports to parents as we navigate these unsure times and remote learning. We will be adding to it each week and hope it offers some helpful tools to use with your student and family. Given the abrupt change all of our lives have encountered, it is normal to feel a mix of emotions. Please reach out if you need anything – we are all in this together!
