Please remind your student to bring their water bottle with them each day!

Laptops & Cases

Students were issued a school laptop and charger this afternoon. These are the students' responsibility to bring to school each day, fully charged. Please help remind your student to charge their device overnight and bring it to school with them each day. Students may bring their power cords and charging stations will be available during lunch periods. Helping them to set up positive technology routines and expectations at home, will help them gain greater responsibility with experience.

A small case/neoprene sleeve is being provided to your student for their school assigned laptop. Please encourage your student to use this sleeve consistently to cover and protect the device.

TOMORROW: Thursday, Sept 2
