

Amherst Middle School

Dear AMS Families,

Please see the [flyer](#) for our upcoming screening of the film “Angst”, on Monday, October 15 @6pm in the SHS Auditorium. This documentary is brought to us by the same producers of the popular “Screenagers”, and is sponsored by the Amherst PTA.

Angst is a short documentary that includes candid interviews with real teens and adults about anxiety, tools that help, and hope.

A panel discussion with district staff will follow. This is a free event and open to all parents and students age 11+. You don’t want to miss it!
