February 8, 2021

Dear Parent(s),

This afternoon we were notified of a positive COVID-19 case at Amherst Middle School. We have completed contact tracing and have notified all staff members and students who will need to quarantine as a result of being a close contact with that individual.

We will continue to remain vigilant with our safety procedures and protocols at AMS. If you have any further questions, please contact a member of the AMS leadership team or our school nurses.

Thank you for your continued support.

The Amherst Middle School Leadership Team
