

National Junior Honor Society
Amherst Eagles Chapter
Member Obligations Information
(Subject to change with adequate notice)

Members are required to maintain the standards of scholarship, leadership, service, character and citizenship that led to their induction into NJHS.

Members are required to pay one-time dues of \$15. Financial assistance is available if needed.

Members are required to attend monthly chapter meetings afterschool.

- The only valid excuses for missing meetings are illness or previously scheduled appointments that are difficult to reschedule. Athletic practices or other school activities are not an acceptable reason for missing meetings. After-school meetings are usually finished by 3:00, and we will do our best not to schedule meetings during games or meets.

Members are required to participate in service activities sponsored by the chapter and in the community.

- New members in both 7th and 8th grades are required to participate in at least one chapter-sponsored service activity during the spring after their induction.
- In the year following induction, 8th grade members are required to participate in a minimum of 5 hours of service activities. At least two of those hours must be in chapter-sponsored activities. The remaining three hours may be in other community service activities or additional chapter-sponsored activities.
