Clean Out Your Closets! We Need Your Outgrown Mittens!

'Tis the time of year that our little snow explorers tend to misplace their mittens and gloves. We want all of our children to be able to fully participate in recess and snow play.

A bin will be placed in the entrance lobby of Clark and Wilkins to collect previously loved (or new) mittens and gloves in good shape. Then, we'll place a basket of appropriately-sized hand protection in classrooms as loaners for kids who have forgotten or misplaced their own gear on a given day. Thank you for your help in keeping our kids warm and active during this magical time of year in New England.
