

Accessing Report Cards from Empower

Signing into Empower

1. Go to <https://empower.sau39.org>

2. Click on “Sign in with Google” if you registered your student with a Google email address. You will be prompted to enter your Google account and password.
3. If you didn’t use a Google email address to register but have logged into Empower before, enter your username and password and click submit.
4. If you didn’t use a Google email address to register and have never logged into Empower before, enter your first initial and last name in the “Username” field and click “Forgot Password?” A system generated email will be sent to the email address you included when you registered your child. The email will prompt you to change your password. You can then login with the new password.

For a **video** of this process, please click [here](#).

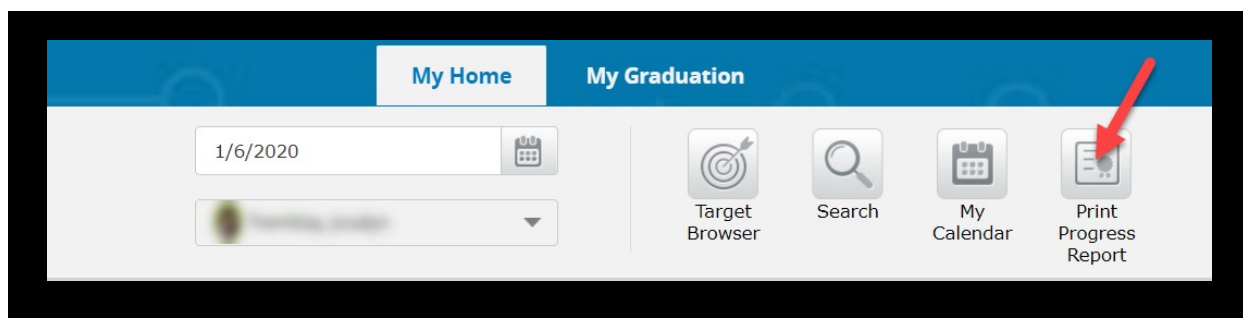

If you have any **problems** logging in, please submit a [helpdesk request](#) and someone from SAU 39 will reach out to you to help.

See next page for directions on accessing your child’s report card.

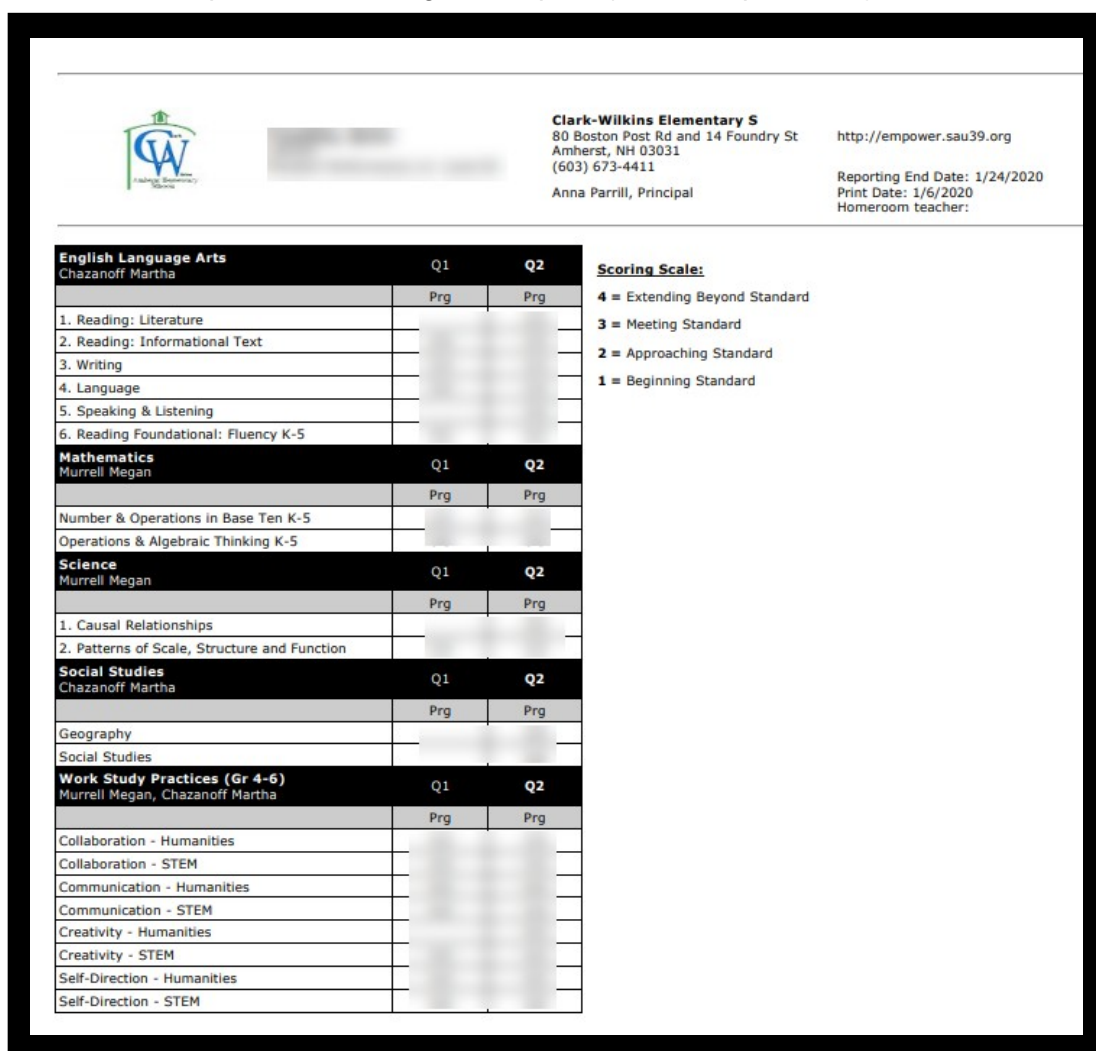

Viewing an Online Progress Report / Report Card

The online progress report provides a cumulative and up to date report of your student's progress at the competency level.

After selecting a learner/student from the dropdown box in your parent portal, click on the "Print Progress Report" icon.

- A new tab will open with the Progress Report. (see example below)

Clark-Wilkins Elementary S
80 Boston Post Rd and 14 Foundry St
