Equestrian Club
Souhegan Equestrian Club December Meeting
Due to the snow day and the canceled Tuesday evening parent/student meeting, we will be rescheduling for January shortly after we get back from break. If you plan on joining the club and competing we do need rider registration into the NHHSET by JANUARY 15th! This is for both riders and spirit members. If any parents have any questions please reach out as soon as possible to Olivia and Holly at equestrianclub@sau39.org or obinstead@sau39.org so that we can get those questions answered quickly. We hope to have an excellent 1st year of Souhegan Equestrian and look forward to seeing everyone after break.

Happy Holidays!
Olivia and Holly
Dear Seniors and Parents,

The School Counselors want to let you know that Christopher Cox, Enrollment Specialist at Nashua Community College, will be coming to our school on Friday, January 17, for an Express Admissions Day. Here are some details:

- We will schedule students for individual appointments, starting at 7:30, throughout the school day.
- You will be asked to fill out an application prior to your appointment. The application is very user-friendly, and there is no application fee.
- Please see Veronica in Student Services or your counselor to get an application and to schedule a time.
- During your meeting with Christopher, he will assist you with any questions you have about your application, course of studies, NCC in general, and financial aid.
- Students will be required to take the Accuplacer (English and Math placement exam) unless your SAT scores meet the benchmark for your program. However, during the Express Admissions Day, you will receive a fee waiver if you take the Accuplacer within the next month at the college.
- Because some students may be excused from taking the Accuplacer based on SAT scores, you should print off a copy of your scores from your College Board account and bring them to your meeting.

Student Services will provide a copy of your transcript for the meeting.

We hope that many of our seniors will take advantage of this convenient and user-friendly way to explore a worthwhile and affordable post-graduate option. Whether you are interested in attending NCC with the plan to transfer to a four-college to complete your bachelor’s degree or are interested in one of their many associate degree and certificate programs, our colleagues at NCC stand ready to assist you.

Best wishes to all members of the SHS Class of 2020! Your year is almost here!

Junior Planning Meetings: During the month of January, counselors will have 1 on 1 meetings with all juniors to review PSAT results and discuss the student’s goals for life after high school. In the next week counselors will forward a link to their juniors giving them the ability to sign up for an appointment. We look forward to meeting with you!

Students will receive a detailed report and the ability to link their results to Khan Academy for SAT prep.

ASVAB - The Armed Services Vocational Aptitude Battery Test will be administered to interested students on Saturday, Jan. 25th. The ASVAB is a multiple-aptitude battery that measures developed abilities and helps predict future academic and occupational success in the military. The ASVAB is administered by Army personnel, however, there is no recruiting that takes place before, during, or after the testing administration. The ASVAB can provide very valuable career oriented information to students. A date will be scheduled following the exam on a school day to review students' results.
