This application must be completed with signatures to receive a parking permit. Only after a parking permit is issued can a student park on campus.

A \$100.00 fee will be charged yearly for this privilege. Fees for new students/drivers will be prorated by semester.

Stickers are to be placed in the rear window on the driver's side.

Students must see Lynda Conley or Scott Ryan to obtain **a temporary parking permit** each day they do not drive the vehicle to school that has the parking permit assigned.

The school reserves the right to restrict the parking privileges without warning of students at any time, due to but not limited to, the following:

- Improper conduct with the motor vehicle on school grounds during the school day or at any other time. This includes but is not limited to: unsafe operation, excessive speed, driving through the school barricades, and transporting themselves or others in a dangerous manner.
- Leaving campus without permission during a scheduled class period.
- Leaving campus when off-campus privileges have been suspended.
- Transporting a student off campus during the school day that does not have off-campus privileges.
- Transferring parking sticker to any other student.
- Parking in an unassigned area.

Parking is not allowed at Amherst Middle School and on adjacent streets. Illegally parked cars will be ticketed and may be towed at the owner's expense.
