### JFAB – ADMISSION OF TUITION AND NON-RESIDENT STUDENTS

#### **IV. Responsibility for Services not Included in the Calculation of the Tuition Rate**

The District will not provide transportation to any non-resident students.

NH State Law guides the District's view of the responsibility for the provision of Special Education Services. Section 186-C: 13 states that "All expenses incurred by a school district in administering the law in relation to education for educationally disabled children shall be paid by the school district where the child resides".

#### **V. Tuition Agreements with other School Districts**

The District may enter into one or more agreements with other school districts or agencies for the admission of non-resident students with payment of tuition by the sending district or agency. The admission of such students under these circumstances shall be governed by the terms of said agreements.

#### **VI. Other Situations**

It is not possible to anticipate all situations that may arise. Notwithstanding any provision of this policy, the District reserves the right to charge tuition or to deny admission to any non-resident student. The District also reserves the right to admit non-resident students and waive tuition in situations not discussed in this policy.
