

PUBLIC SOLICITATIONS IN THE HIGH SCHOOL

As a general policy there will be no solicitation within the high school for any purpose whatsoever. No commercial enterprise may be represented in the school and there will be no sale of goods or services on the premises.

Any request for an exception to this rule must be submitted in writing to the School Board or its agents (Superintendent and/or Principal) at least 30 days prior to the implementation of the requested activity.

The School Board reserves the right to grant exceptions.
Examples of possible exceptions include the following:

- (A) An activity conducted by a club for the purpose of raising funds for a worthwhile service to the school.
- (B) PTA or “booster” membership activity.
- (C) Private music lessons given on the premises after normal teaching hours.
- (D) Class insignia jewelry.
- (E) United Way.

The foregoing policy is for the purpose of insuring maximum instructional time for the teacher and in no way reflects a negative attitude toward many of the very worthwhile civic and charitable activities sponsored within the community, either on a strictly local basis or as part of a regional, state, or nation activity. The above restriction does not apply when buildings are rented by an organization.

No funds will be solicited from school district employees on school property by organizations or individuals not employed by the school district or without prior approval.
