

RELATIONS WITH PARENT TEACHER ASSOCIATION

The Board recognizes that parent-teacher-student organizations are a vital source of support to the public schools. The district looks to the PTSA as a means of promoting a finer education program by achieving better understanding among students, parents, teachers, administrators and the Board. The district will give every encouragement to the maintenance of an enthusiastic and industrious parent organization.

The Board recognizes the PTSA as an organization of cooperation among parents, teachers and administrators in the promotion of a sound program of education and student welfare.
