

## Accessing the Student Homepage

- The student homepage allows you to see real time scores for your child in each content area with the ability to drill down into individual assessment scores on learning targets/standards.
- Log into your parent account and select your child from the drop-down box.

- The student's courses/classes will appear with a notification badge on the "Class Log" icon to signify new scores since last login; click on the icon to view.

- Click on "View all" to see all activities.

- Once you click on “View all” you will see a list of all activity scores for that class by assignment, in order of date scored, with most recent at the top.
